

JUDGES' BRIEF - (RAM BREEDER & PROCUREMENT JUDGE working together)

MERIAL QUALITY MEAT YIELD CLASS

A commercial ram class for a pen of two rams with points being allotted individually to each ram.

As judges it is your job to help establish which pen of ram hoggets will breed the best lambs for the modern lamb trade.

Please be aware that the points at your discretion represent approximately 50% of the total available.

You are not required to provide the final placings, but we want your stockmanship skills to have a major bearing on the result.

The points allotted for MEAT SCORE amount to the other approximately 50% of the total available points. The MEAT SCORE is derived from the Eye Muscle Scanning which is completed on the day

As judges you are required to judge two sections:

- i) Breed Type, Conformation & Structural soundness,
- ii) Procurement,

- awarding points to each ram.
